Ist nicht nur für Erwachsene, sondern auch für Kinder gut um Englisch zu lernen und bisschen die Ortsbesonderheiten des Landes zu lernen. Das farbenfrohe Design bringt nicht nur Spaß, sondern auch müheloses und spielerisches Erlernen der Wörter. Ich bin froh, dass ich dieses Buch entdeckt habe!

Kurzbeschreibung B is for Brighton Beach is a book that presents children with a wonderful journey along the places of interest in Brighton Beach, home to one of the largest Russian-speaking immigrant communities in the U.S. But this is an unusual journey, a journey from the first to the last letter of the English Alphabet accompanied by colorful illustrations of words beginning with these letters. It is a colorful alphabet book that brings the ABC to life via pictures and real life situations.
