**Von Franz Kafka : Best Short Stories: A Dual-Language Book (Dover Dual Language German)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Best Short Stories: A Dual-Language Book (Dover Dual Language German):

KundenrezensionenHilfreichste Kundenrezensionen4 von 4 Kunden fanden die folgende Rezension hilfreich. Great way to read Kafka's original writingVon B. A. Pecenkai am not a huge fan of Kafka's style of writing but I did enjoy reading this book due to the side by side english and german wording. I found myself hopping back and forth to see how the German was translated into English. And, since my German is not perfect and Kafka writes with a complex sentence structure, the dual set up was perfect for me. These are some of Kafka's best stories, particularly the Metamorphosis.3 von 3 Kunden fanden die folgende Rezension hilfreich. Useful for students of both German and EnglishVon Dean StroudI have used this book at our university in a German class (Introduction to German Literature) and in a Literature in Translation class. Students appreciated the dual language format. For my students of German, the facing translation aids in setting the context so that they can deal mor quickly with the German text. I would recommend this book for those with some German who are interested in Kafka's short fiction. I would have liked having the " Hunger Artist" in the collection as well as a German vocabulary section (as one finds in other Dover texts), but otherwise I found the book most helpful. The entire series offers excellent books at wonderful prices!0 von 0 Kunden fanden die folgende Rezension hilfreich. Not exactly for language learnersVon ArunprathLong sentences pretty old style of word used which makes the book not exactly appropriate for German language learners in my opinion.

KurzbeschreibungStudents of German language and literature will welcome this dual-language edition of five stories by Franz Kafka (1883-1924). Considered one of the greatest modern writers, Kafka wrote tales that brilliantly explore the anxiety, futility, and complexity of modern life.The stories in this volume are "The Metamorphosis" (thought by many critics to be Kafka's most perfect work), "The Judgment," "In the Penal Colony," "A Country Doctor," and "A Report to an Academy." Along with the original German texts, Stanley Applebaum has provided accurate English translations on facing pages, affording students an ideal opportunity to read some of Kafka's finest stories in the original, to discover the passion and profundity of this extremely important figure in modern European literature, and to upgrade their German language skills.
