Von Jane Mendle : Better Off Famous?: A Novel before purchasing it in order to gauge whether or not it would be worth my time, and all praised Better Off Famous?: A Novel:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Courtesy of Teens Read Too Von Teens Read Too Annie Hoffman can't seem to get anything right. She can't get her driver's license, making her the only almost sixteen-year-old without one, meaning it's back to the buses. She can't get into Juilliard, since apparently she doesn't have much talent playing the violin. She can't get the guy of her dreams to notice her. And she can't get out of her stupid school with its stupid lunches. One thing Annie can do, though, is make a talent

agent take interest in her, making him give her a card, which would then land her in the newest and hottest teen soap drama, Country Day. Its certainly pays to leave an audition nearly crying; you never know who might notice your acting skills. Everything goes from okay to awesome for Annie. She becomes America's sweetheart and is on the cover of every celebrity publication there is. But Annie soon finds out that the biggest and best shot the paparazzi can take is when a celebrity is at their worst. And once it is printed for everyone to see, those who once adored her turn on her easily, even when they don't know the entire story. It's up to Annie to find her true self and, hopefully, find her way out of the negative limelight. Not like the other novels that take on the plot of the girl-next-door who instantly becomes a teen sensation, BETTER OFF FAMOUS? has a mind of its own. With its realistic story of a girl lost in the limelight, struggling her way to get back to normal, with cameras following her every move, Jane Mendle creates a story that mirrors the mistakes that those we have all taken notice of make every day. Kurzbeschreibung Fame is awesome, right? Partying every night at the hottest clubs. Hanging with the coolest stars. Having your picture in every magazine. Yeah, that's what Annie Hoffman thought too. Until she became a celebrity. In Better Off Famous? by Jane Mendle, all Annie ever wanted for her sixteenth birthday was a driver's license and a spot at Julliard's prestigious high school violin program. Well, she got neither. But as luck would have it, a casting director for fall's hottest new television show happens to be at the Julliard auditions, and Annie vows him. He thinks her look is exactly what his show, a teen soap set at a posh New York school, has been missing. And just like that, Annie gets cast as the naive "new girl," and her life is turned upside down. Sure, the perks are great, the wardrobe is awesome, and her tutor is a super hot genius but being stalked day and night by paparazzi out to catch her in her worst light---not so fun! Can Annie learn to balance her life-- and her partying-- before the press, and the public, write her off for good? Pressestimmen From Publishers Weekly:
