Von Edie Schwager, Edith Schwager : Better Vocabulary in 30 Minutes a Day (Better English Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Better Vocabulary in 30 Minutes a Day (Better English Series):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Good book to fine tune your vocabulary Von KP This book, from the Better English Series, is a fairly decent book for

businessmen to sharpen their vocabulary. Although some of the words may already be in the vocabulary of middle to high level businessmen, it reinforces those, as well as clearly teaching new words through its 30 minute program (which I find, one can finish in about 15 minutes). The vocabulary presented covers a broad range of words, and the book is overall a straight-ahead, no-nonsense guide for businessmen, as well as for people of occupations in which an expanded vocabulary is beneficial to their job.
