**Von William T. Kirwan : Biblical Concepts for Christian Counseling: A Case for Integrating Psychology and Theology** before purchasing it in order to gage whether or not it would be worth my time, and all praised Biblical Concepts for Christian Counseling: A Case for Integrating Psychology and Theology:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.  
Outstanding...a must read for integrationVon Ein KundeThis work has integrated my thought in a most helpful way.  
Highly recommended.

KurzbeschreibungKirwan not only sounds a clarion call for thorough integration of psychology and theology, he demonstrates that it can be done.KurzbeschreibungKirwan not only sounds a clarion call for thorough integration of psychology and theology, he demonstrates that it can be done.
