**Von Rick Riordan : Big Red Tequila (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Big Red Tequila (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Groer roter Kse!Von Aurora BorealisIch mag viele der Bcher von Rick Riordan die Kane Chroniken, Percy Jackson, dieses Buch mag ich jedoch nicht. Als ich Big Red Tequila kaufte erwartete ich einen gut geschriebenen Krimi, nun das ist dieses Buch sicher nicht! Tres Navarre, der 30 Jhrige mit dem Liebesleben bzw. Verstdnis eines 14 Jhrigen, prgelt und suft sich durch das Buch ohne Sinn und Verstand. Bei ihm bekommt man den Eindruck vermittelt Tai Chi ist eine

Kontaktsportart. Bis zum Kapitel 40 stolpert er sinnlos von einer Prgelei zur anderen und man fragt sich: "Warum das?" Die Geschichte geht nmllich trotz der vielen Kmpfe nicht weiter und kommt nur schleppend in Gang! Ganz pltzlich tauchen neue Figuren auf! Nach der Hlfte des Buches ist pltzlich ein lterer Bruder da, dann auf einmal eine Schwester. Die Beiden werden derart ungeschickt eingefhrt das man meint, der Autor htte einen Teil der Geschichte rausgeschnitten und einen anderen Teil dafr eingesetzt. Ebenso entwickelt sich die Figur des Vaters von Tres, zuerst ein Mann zu dem man aufsieht dann pltzlich ein Sufer der seine Frau stndig betrgt. Diese Wandlung wird so ungeschickt vollzogen das es die Geschichte massiv strt. Die letztendliche Auflsung des Krimi wre gar nicht so schlecht, aber da hatte ich ehrlich schon genug vom Schreibstil dieses Buches! Wie ein Autor der so einen flssigen Erzhlstil hat wie Riordan und elegante, wenn auch oft abrupte Wendungen in seinen Geschichten hat so ein holprig und fades Buch abliefern kann ist mir ein Rtsel. Vielleicht ist es wirklich so wie ein anderer Rezensent schreibt: "...man muss wahrscheinlich aus Texas sein um dieses Buch zu mgen!" 0 von 0 Kunden fanden die folgende Rezension hilfreich. A yuppie's cliched view of the Alamo City Von Ein Kunde It's not so much that Rick Riordan gets so much terribly wrong about San Antonio and it's people. It's that he does it in such a cliched and stereotyped manner. The mystery, plot-heavy and carried along by leaden one-liners and semi-tough-guy talk by the hero, doesn't stretch the imagination much. Particularly when he laces it with Spanish idioms that owe more to Cuba than Mexico. You can forgive streets that don't truly intersect, "barrios" that are quiet, middle-class neighborhoods and a tour of the city that reads like a tour of those "safe" samplings of San Antonio's Latino heritage favored by the upwardly mobile elite. But to depict Latino characters in such broadbrush caricatures is deplorable. In Mr. Riordan's San Antonio, barrio bars are all "cantinas." Latino men largely exist to drink heavily, smoke copious amounts of dope and laugh at death. and beat their women. Elderly Mexican-American women are overweight faith healers! . It would have been nice to read about some flesh-and-blood character rather than these cardboard illusions straight out of 1950s Hollywood. Mr. Riordan has the occasional flash of humor and style that promises something better down the line. But this book is as authentic a view of the light and shadows that haunt San Antonio as the annual event sponsored by predominantly Anglo powerbrokers in which the women don festive Mexican-style dresses and everyone shouts "Viva Fiesta!" 0 von 0 Kunden fanden die folgende Rezension hilfreich. This Texan loved it! Von K. Barrett What a hoot this was to read. As a Texan, I especially appreciated the "laid back" flavor of this charming and "out there" book. Tres Navarre has enough cowboy in him to be charming and enough intellectual ability to be much more than a cartoonish hero! Imagine a PhD in English who loves cats with peculiar eating habits and spikes his Big Red with good tequila...hard to fathom but tons of fun. Tres gets himself in so much trouble trying to figure out who killed his sheriff-father ten years earlier, but he has a tremendous support system including his aging but gorgeous beatnik mother and his savvy lawyer ex-girlfriend from California. Tres is a complicated man. As soon as I finished this book, I grabbed up The Widower's Two-Step and devoured it as well. Can't wait to read the Last King of Texas. I only noticed a couple of things that didn't ring true, like the mis-spelling of the name of a prominent Texas family from the King Ranch. The Klaybergs referred were actually the Kleburgs, but then maybe Riordan changed the spelling intentionally--don't know--and it doesn't change anything of significance in the story. This was a good read. I recommend Tres Navarre and his friends to everyone with a taste for fun and adventure.

Kurzbeschreibung When his father was murdered in San Antonio ten years ago, Jackson 'Tres' Navarre left town, never to look back. Until now, that is. Accompanied by his enchilada-eating cat Robert Johnson, tough, no nonsense Tres returns to the city looking for answers and a girl he just couldn't leave behind. But when she turns out to be missing, Tres goes on the hunt as an unlicensed private investigator to solve both cases, stirring up a Texan hornets' nest of corruption. And the mob will do anything to silence him. Slick and spicy with Texan spirit, Big Red Tequila is the first book in the multiple-award-winning suspense series by the internationally bestselling author of the Percy Jackson novels. deRick Riordan has loaded his first mystery with lots of genre baggage: this story about a man coming home to San Antonio, Texas, to rescue his old girlfriend and solve the 12-year-old murder of his sheriff father is a virtual homage to James (The Last Good Kiss) Crumley. But Riordan writes so well about the people and topography of his hometown that he very quickly marks the territory as his own. Tres Navarre has put behind him the teenage days when he and his friend Ralph Arguello would cruise through San Antonio, drinking a ferocious mixture of cheap tequila and Big Red cream soda. A University of California Ph.D. in English plus a fascination with t'ai chi ch'uan led Tres naturally enough to work as a private investigator in San Francisco. But one call from the love of his early life--the mysterious and captivating Lillian Cambridge, now trapped in dangerous work and love relationships--and Tres gladly trades his trendy Peet's coffee for the stronger brews of home. Pressestimmen Winner of the 1998 Shamus Award for Best First Novel and the 1998 Anthony Award for Best Paperback Original! "A standout...A crooked construction company, corrupt cops, old enemies--you can almost feel the summer storms rolling over South Texas." ---Publishers Weekly (starred review)
