**Von BikeSnobNYC : Bike Snob: Systematically Mercilessly Realigning the World of Cycling** before purchasing it in order to gage whether or not it would be worth my time, and all praised Bike Snob: Systematically Mercilessly Realigning the World of Cycling:

KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich. Phnomenal; wer ein Stck Selbstironie nicht verkrftet sollte das Buch besser lassenVon ChrisEs ist schon eindrucksvoll, wie sich das ausschliesslich in New York bzw. USA abspielende Verhalten erklrter Radfans und

Gegner auf Deutschland bertragen lsst. Ich wohne in einem 3500 Seelendorf in Bayern statt in NYC, und trotzdem fhlt man sich immer wieder ertappt, muss lauthals lachen angesichts der Seitenhiebe und Sticheleien, die der Autor kurzweilig und teils unglaublich witzig formuliert. Alle bekommen hier Ihr Fett weg; Technikfreaks, Stylefetischisten, Rennradmasochisten, koindividualisten auf Rdern, Autofahrer und so weiter. Der ganze Kosmos, in dem Fahrdrer eine mehr oder weniger grosse Rolle spielen wird hier aufs Korn genommen; und nach dem Buch hat man mehr Lust Rad zu fahren als zuvor, erst recht!Das Buch sorgt fr gute Laune, einige unbeschwerte Stunden, und auch wenn man nicht wirklich alle Sticheleien versteht (man ist eben kein US-Brger oder NYC Local) braucht man keine Angst vor dem verwendeten, wirklich einfachem und eingngigem Englisch zu haben.Unbedingte Empfehlung meinerseits!0 von 0 Kunden fanden die folgende Rezension hilfreich. Ein Muss fr "den Fahrradfahrer"Von Ulrich KIch verfolge schon lange den Bikesnobnyc-blog und habe seinen Schreibstil schon zu lieben gelernt.Das Buch toppt das nochmal um Lngen! Zu lesen, wie er smtliche Klassen von Radfahrern evaluiert, nachdem erstmal der Begriff des Fahrradfahrers fr das 21. Jahrhundert definiert wird, macht unendlich viel Spa!Meine Englischkenntnisse sind gut trainiert, weswegen mich damit keine Probleme hatte, aber ich denke auch, dass jeder der einigermaen in der Sprache drin ist, das Buch locker verstehen kann!Viel Spa beim Lesen!0 von 0 Kunden fanden die folgende Rezension hilfreich. Amusing read for Bike-Junky'sVon RoliWenn man der der englischen Sprache einigermaen mchtig ist und zudem noch Fahrradbegeistert ist, kann man den Lesestoff mit einem Schmunzeln genieen. Die beschriebenen Erlebnisse sind wie aus den eigenem Fahrrad-Leben. Der erste Teil ist etwas Langweilig und eigentlich nur fr native New Yorkers mit entsprechenden Navigationskenntnisse geschrieben. Der Rest lsst sich ohne weiteres auf jeden Standort auf der Welt bertragen. Ein lustiges, unkompliziertes Buch hauptsächlich fr Radfreunde geschrieben.

KurzbeschreibungCycling is exploding in a good way. Urbanites everywhere, from ironic hipsters to earth-conscious commuters, are taking to the bike like aquatic mammals to water. BikeSnobNYCycling's most prolific, well-known, hilarious, and anonymous blogger brings a fresh and humorous perspective to the most important vehicle to hit personal transportation since the horse. Bike Snob treats readers to a laugh-out-loud rant and rave about the world of bikes and their riders, and offers a unique look at the ins and outs of cycling, from its history and hallmarks to its wide range of bizarre practitioners. Throughout, the author lampoons the missteps, pretensions, and absurdities of bike culture while maintaining a contagious enthusiasm for cycling itself. Bike Snob is an essential volume for anyone who knows, is, or wants to become a cyclist.PressestimmenBILL STRICKLAND, EDITOR-AT-LARGE OF BICYCLINGBike Snob should be lovingly gifted to all new cyclers - and forcefully smacked against the heads of all the jaded know-it-alls who take the sport way too seriously.LANCE ARMSTRONGI like to think I know a thing or two (or three) about being ruthless and relentless - either trying to win the Tour or fighting cancer. The Snob knows it too. Keeping us dorks in line is tough work. I take pleasure in getting picked on by the Snob, slightly more pleasure in reading his writing, but take the most pleasure punishing his ass (my payback) on the bike either in Central Park or on 9W/River Road. Long live the Snob.CHRISTIAN LANDER, AUTHOR OF STUFF WHITE PEOPLE LIKEAfter reading Bike Snob I put a brake on my fixie, started wearing a helmet, then punched myself in the stomach for spending so much time as a stupid hipster. This is a social manual that should be bundled with every bike shipped in America.ROBERT LANHAM, AUTHOR OF THE HIPSTER HANDBOOKAs any avid biker will attest, cycling isn't just a form of transportation. It's a complicated culture with its own slang, taxonomy, and preferred tat styles. If you haven't read Bike Snob, you should consider reattaching those training wheels to your overpriced fixie.ELDEN "FATTY" NELSON, FATCYCLIST.COMFirst you'll think the Snob is funny. Then you'll think he's smart. Eventually you'll probably think that he's seen far too many movies for his own good. At some point during this book, however, you re going to say to yourself: Holy crap. He is right. Believe me, that is one disconcerting moment.BILL STRICKLAND, EDITOR-AT-LARGE OF BICYCLINGBike Snob should be lovingly gifted to all new cyclers - and forcefully smacked against the heads of all the jaded know-it-alls who take the sport way too seriously.ROBERT LANHAM, AUTHOR OF THE HIPSTER HANDBOOKAs any avid biker will attest, cycling isn't just a form of transportation.
