L'original et une traduction correcte - The original text and a correct translationVon mummiLEUne histoire amusante et des images originaux!C'est un plaisir de regarder les images les images avec des petits enfants et leur lire le texte. Mais c'est une joie aussi pour les grands qui veulent apprendre une des deux langues, ou les deux, ou ractiver leurs

connaissances - Ceux qui, intérieurement, sont encore restés petit(e)s gamin(e)s... Dans les textes français et anglais, le langage est simple et familier, mais correct, ni trop négligent ni trop guindé. Je recommanderais cette version en anglais et français même aux germanophones qui savent déjà parler et lire ces deux langues, car elle est bien meilleure que la version en allemand et français qui abonde de fautes grammaticales, lexicales et d'orthographe. Funny story and pictures! It's a great pleasure to read these texts and to look at the pictures together with little children, but the book may also be useful for "big ones" who want to learn one or both of the languages or to shine up their English or French - "Big ones" who are still sometimes feeling like the "kid within"... The language of both versions is simple and colloquial, but correct, neither too neglectful nor too elaborated. I'm also recommending this English-French version to German-Speakers who understand and are able to read these two languages, for it is much better than the German-French version which is full of errors of vocabulary, grammar and spelling.

Kurzbeschreibung Frog looked down at the plants in the little blue flowerpot. "Me?" asked Frog. "I can't jump." The plants thought that Frog must be shy; they all knew that frogs could jump. Grenouille baissa la tête vers les plantes dans le petit pot de fleurs bleu. Moi ? demanda Grenouille. Je ne peux pas sauter. Les plantes pensèrent que Grenouille était timide; elles savaient bien que les grenouilles pouvaient sauter. Can you imagine what it is like to live in a flowerpot and confuse one animal with another? Our chatty little plants Basil, Rosemary and the sisters know all too well the fun and problems it causes. This illustrated story has been designed for bilingual children and others wishing to read a dual language text in French and English. This book is divided into four sections. In the first part, for ease of understanding the two languages are displayed together mostly one or two sentences at a time. Showing the languages together helps compare words and common expressions easily. The second part, the French only version, allows intermediate students to test their understanding. The third part is in English only and lastly a mobile friendly bilingual English - French version. Reading this fun bilingual story will help you learn French.
