**Von Marguerite Davol : Black, White, Just Right! (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Black, White, Just Right! (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich.  
Thankfully Avoids Patronizing Mixed Race KidsVon SusScrofaThis book remains one of the most consistently re-read books in my 6 year old daughter's substantial book collection. Thanfully devoid of the prevailing liberal viewpoint that you "are what society sees you as" the book calmly reinforces the concept that it is quite okay for mixed race children to celebrate their ENTIRE racial and cultural background.1 von 1 Kunden fanden die folgende Rezension hilfreich. Great for building self-esteem in ALL children.Von Ein KundeI am a Haitian-American woman married to an Italian-Americanman. While we don't have children of our own yet, his daughter fromhis previous marriage to an Italian woman enjoys the book tremendously. It helps her to appreciate differences in others as something wonderful. END0 von 0 Kunden fanden die folgende Rezension hilfreich. Excellent interracial children's story!Von Ein KundeDescription of parents and child, their personal likes, and disklikes told in upbeat, honest, and

rhyming context!

Kurzbeschreibung This simple story celebrates how the differences between one mother and father blend to make the perfect combination in their daughter. The fact that her mother is African American and her father is white is just one of the many interesting things that make this little girl and her family just right.
