Brent (Blink) and Kitty (Caution) both have back stories that have them on the run. When their paths cross, they work together to overcome the odds against them.Blink was simply looking for a free breakfast when he took the elevator to the sixteenth floor of the hotel. It looked like there would be easy pickings from the half-eaten remains left on trays set outside the rooms.

When he actually enters a room to investigate some odd behavior displayed by the exiting guests, he realizes he has witnessed a possible kidnapping. Once inside the room, Blink discovers a wallet filled with cash and a cell phone that reveals the kidnapped may not be the victim he assumed. Having some ready cash is a welcome surprise, but the more Blink learns about the situation, the more nervous he becomes. His nerves prompt him to check out the cell phone more carefully. He actually contacts the "kidnap" victim's daughter in an attempt to reassure her that her father has not been harmed. That contact is one Blink soon comes to regret. Caution has been living on the street and, more recently, with a drug dealer named Merlin. Attempting to run from a tragedy from her past, Caution is fully aware that she harbors a death wish, but at the same time she looks at death as an easy escape from the much harsher punishment that her guilt insists she deserves. Caution is on the run after a fight with Merlin that ended in her discovery of his drug money stash. She can't believe they've been practically starving to death when he has had thousands of dollars hidden away. Anger and fear motivate Caution to grab the money and run. Fate works to bring Blink and Caution together in the train station. After a bumpy first meeting, the two join forces to help each other. Caution provides the street smarts lacking in the naive Blink, and he supplies the funds to sustain their cause. As time passes, the two begin to trust one another with secrets as well as friendship. Award-winning author Tim Wynne-Jones takes readers on an adventure with two young people living by their wits as they try to survive, and at the same time right a wrong. It is a story with twists and turns and definitely not for the faint-hearted. Reviewed by: Sally Kruger, aka "Readingjunk"

Kurzbeschreibung Two street kids get tangled in a plot over their heads - and risk an unexpected connection - in this heart-pounding thriller by Tim Wynne-Jones. (Age 14 and up) Boy, did Blink get off on the wrong floor. All he wanted was to steal some breakfast for his empty belly, but instead he stumbled upon a fake kidnapping and a cell phone dropped by an "abducted" CEO, giving Blink a link to his perfect blonde daughter. Now Blink is on the run, but it's OK as long as he's smart enough to stay in the game and keep Captain Panic locked in his hold. Enter a girl named Caution. As in "Caution: Toxic." As in "Caution: Watch Your Step." She's also on the run, from a skeezy drug-dealer boyfriend and from a nightmare in her past that won't let her go. When she spies Blink at the train station, Caution can see he's an easy mark. But there's something about this naive, skinny street punk, whom she only wanted to rob, that tugs at her heart, a heart she thought deserved not to feel. Charged with suspense and intrigue, this taut novel trails two deeply compelling characters as they forge a blackmail scheme that is foolhardy at best, disastrous at worst - along with a fated, tender partnership that will offer them each a rare chance for redemption. Pressestimmen "Blink Caution is a thrill ride to the end - suspenseful, heart-pounding, and with no mercy for the tenderhearted." - Rita Williams-Garcia Quote "Noir crime suspense that's terrifying and authentic, and also that rare thing: deeply, intensely moving. Don't miss reading this one." - Nancy Werlin Quote "Blink Caution is a thriller and it's a love story - the first love story I've ever written, really. And it's also a story about following something that grabs you right to the end. It's about making a move to make something bad end - taking that first brave step towards changing your life. Where will it take you? Well, that's the story." - Tim Wynne-Jones Quote "Kurzbeschreibung Two street kids get tangled in a plot over their heads - and risk an unexpected connection - in this heart-pounding thriller by Tim Wynne-Jones.
