KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Blood over waterVon FeliAuch wenn ich vom Rudersport und Hochleistungssport jeglicher Art keine Ahnung habe, erfahrt man doch sehr genau wieviel Mhe und wieviel Arbeit und wieviel Entbehrungen hinter so einem Boat Race stehen.Sehr persnlich von den beiden Brdern geschrieben, mit Einblicken in ihre Kindheit, Jugend und auch in das

Studentenleben in Cambridge und Oxford. Unterhaltsam zu lesen, wie gesagt, auch für den absoluten Ruder-Laien!

Kurzbeschreibung SHORTLISTED FOR THE BEST NEW WRITER CATEGORY OF THE BRITISH SPORTS BOOK AWARDS 2010 On an overcast April day in 2003, David and James Livingston raced against each other in the 149th Oxford-Cambridge Boat Race. Watched by over seven million people, it was the first time for over a hundred years that brothers had battled against each other in this gladiatorial contest. Only one could be victorious. In *Blood Over Water*, David and James tell their stories for the first time, giving an intimate insight into one of our best-loved national sporting occasions, whilst also describing a brotherly relationship tested to breaking point. It is an emotional and searching joint self-portrait that looks at the darker side of sibling rivalry and asks just what you would be willing to sacrifice to achieve your dreams.

Pressestimmen 'The Boat Race is the most divisive event in rowing tradition an extraordinary and gripping story of a battle between brothers' Sir Matthew Pinsent 'Jumping from boat to boat, from brother to brother, you feel every physical and emotional strain as they haul their boats along the river, seeking to claim familial supremacy thrillingly relived by these two feuding siblings'" The Times 'The best race in history' Daniel Topolski 'Blood Over Water stands out from the mass of sporting memoirs thanks to the authors' open portrayal of their relationship as the build-up to the race intensifies'. The Economist
