**Von Nicholas Pettas : Blue Eyed Samurai edited version (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Blue Eyed Samurai edited version (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Sehr interessantVon MatthiasEin tolles Buch mit sehr interessanten Einblicken in den Alltag des Honbu Dojo in Tokyo. Wenn auch leider in Englisch so ist doch verstdlich genug um aus erster Hand zu erfahren was es hie unter Sosai Oyama als uchi deshi zu trainieren.Fr Kyokushin Karatekas sicher ein Leckerbissen, fr Karatekas welche andere Stile

trainieren mit Sicherheit auch nicht uninteressant.

Kurzbeschreibung Blue Eyed Samurai: 1000 days in the Young Lions Dormitory  
The last uchi deshi (live-in student) of Sosai Oyama Masutatsu, Nicholas Pettas, takes you along on his adventure as an eager, 18-year-old boy going from Copenhagen, Denmark to the other side of the globe. Here, in Tokyo, Japan, he doesn't just find himself in another country, but in a different world altogether. The rigorous life of an uchi deshi is filled with drama and the struggle to survive. Even more so for a Western uchi deshi, thrown into an environment where everything is different the food, the language, the life-style and, above all, the karate. Literally having to fight for his survival on a daily basis, Nicholas turns to his inner self to search for the strength needed to fulfil his dream of completing the daunting 1000-day karate course. Becoming a true lion in the art and sport of karate, and the last non-Japanese to complete Master Oyama's course, today, author Nicholas Pettas is known in Japan as The Blue-eyed Samurai, an acknowledgment of his true Samurai Spirit.
