AstoundingVon Ross Asbillmy (just turned) 5 year old daughter new her alphabet but had not read anything. as soon as

we got the books BAM she was reading. i was completely amazed. no 4-5 year old should be without these books. im getting the entire collection.0 von 0 Kunden fanden die folgende Rezension hilfreich. bob books wowVon Ein KundeI have been looking for books that my son could read completely by himself. The Bob Books sets start with just 3 letter short vowel sounds...perfect for giving your child the confidence and accomplishment of reading an entire book. The look on his face was the best review!
