Von Dick Brown : Bonefish Fly Patterns: Tying, Selecting, and Fishing all the Best Bonefish Flies from Today's Best Tiers before purchasing it in order to gage whether or not it would be worth my time, and all praised Bonefish Fly Patterns: Tying, Selecting, and Fishing all the Best Bonefish Flies from Today's Best Tiers:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Useful, concise, loaded with information.Von David DeanI consider myself a novice fly-tyer, having resumed the hobby after a break of over forty years. I am getting ready to go to the Bahamas for a week and wanted to tie some bonefish flies. I have about four books on saltwater flies, many of which gave me some direction, but none hold a candle to this book which a good friend just gave me for my birthday. Excellent photography, over 150 fly recipes and pictures as well as chapters on basic tying techniques, innovations and trends, a useful glossary of materials and a chapter on locations, prey, depths, light and wind conditions as they relate to flies and presentations. Superb indexing and anecdotes. You

can also easily cross-ref fishing locations with specific patterns. I'm looking for other books by this author. Can't wait to get to the weekend to put some of Mr. Brown's ideas to work. dd0 von 0 Kunden fanden die folgende Rezension hilfreich. All Fly Tying Books Should Be This GoodVon M_Z (none@none.com)This book doesn't waste your time or money. Ever wonder what flies work where and how to tie those flies? This book tells you if you're going after Bonefish. It's to the point with great pictures, instructions and information that you can really use. Even if you don't fish for Bonefish, get this book. It will get you started.0 von 0 Kunden fanden die folgende Rezension hilfreich. schnes BuchVon TerryViele Patterns fr jede Art von Gegnern. Mit dem Buch hat man jahrelang Muster zum binden. Empfehlenswert. . . .

KurzbeschreibungThis new and revised edition of Bonefish Fly Patterns is the most comprehensive collection of bonefish flies ever published, displaying fly designs from such world-class flats anglers and guides as Winston Moore, Jim Orthwein (four-time bonefish world record holder), Steve Huff, Harry Spear, Rick Ruoff, Del Brown, John Goddard, Barry and Cathy Beck, Lou Tabory, Tim Borski, Bob Clouser, Lefty Kreh, Tom McGuane, Yvon Chouinard, Craig Mathews, Vic Gaspeny, Dave Skok, Eric Peterson, Patrick Dorsey, and Aaron Adams, and many, many more.
