This one did not disappoint. Bonfire Peter is another delightful collection of amusing poems, filled with magic, witches, dragons, and trolls! Short stories to frighten, as well as entertain on Bonfire Night. The rhymes are brilliant. 'Friends and foes Come together, Celebrate elements Fire weather' High marks once again to this wonderful author. 0 von 0 Kunden fanden die folgende

Rezension hilfreich. Wonderful series Von ZS This is the most enjoyable collection of poems, yes, perfect for a Bonfire night with your kids. Wonderful fantasy fireworks reflecting on our kids' state of mind, plenty of adventures among mystical lakes, wizards and dragons, trolls and just 'simple' witches, and so so much more. Perfect for Halloween or any other season. My pre-teens love these series, and so do I! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Extraordinary Von B Nelson A favorite author. Bonfire Peter: (Peter: A Darkened Fairytale, Vol 13) by William O'Brien, is another wonderful collection of extraordinary wisdom, extraordinary magic, and its all dusted with excitement and dreams. The whole world of Peter should be explored and savored. This, like all the Peter books, highly recommended. Five stars.

Kurzbeschreibung Welcome to the world of Peter: A Darkened Fairytale. Mystical bonfire heaven for the magical young ones. A drawer is a drawer, and a door is a door, one way in and one way out. What... not sure? A time in space has now arrived for some readers passing by and travelling through in a blip of time, goes so quick, like this rhyme. Staring from those eyes so bright, view things given with new sight. Kurzbeschreibung Welcome to the world of Peter: A Darkened Fairytale. Mystical bonfire heaven for the magical young ones.
