Von Fr Meletios Webber : Bread Water, Wine Oil (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Bread Water, Wine Oil (English Edition):

One of the best books I've ever readVon M.H.I was recommended this book as I was worrying much about future events. Reading it has helped me immensely to identify the driving forces behind my worries and provided suggestions on

what I might do against it. It is also a suitable book for catechumens since it touches on all of the main themes of Eastern Orthodox Christianity.

Kurzbeschreibung Worry, despair, insecurity, fear of death . . . these are our daily companions, and even though we attempt to ignore them or try to crowd them out, they are there, waiting for us in our quieter moments. It is precisely where we hurt most that the experience of the Orthodox Church has much to offer. The remedy is not a pep talk, or any simple admonitions to fight the good fight, cheer up, or think positively. Rather, the Orthodox method is to change the way we look at the human person (starting with ourselves). According to two thousand years of experience, Orthodoxy shows us how to be transformed by the renewing of our mind a process that is aided by participation in the traditional ascetic practices and Mysteries of the Church. In this unique and accessible book, Archimandrite Meletios Webber first explores the role of mystery in the Christian life, then walks the reader through the seven major Mysteries of the Orthodox Church, showing the way to a richer, fuller life in Christ.
