For All Cancer VictimsVon Barbara HosierThis is a book which will help any cancer victim, her family and friends. It explains the various steps one goes through when diagnosed and treated for cancer: the physical, emotional and spiritual struggles. I have given this book to a friend now going through chemotherapy and am now ordering more books for future gifts. Lois Olmstead knows what she is writing about, and she triumphs over her disease and despair with the help of her family, friends and her Lord. It is an inspiration to all of us cancer survivors and a great help to those just entering the battle!0 von 0 Kunden fanden die folgende Rezension hilfreich. "Are you okay?" she asked."Are you okay?" he asked back.The "okay question" would resurface frequently over the coming months as Lois faced her personal battle with cancer. Then she met Jehoshaphat, an Old Testament character famous for sending a choir out to battle in front of his army. Jehoshaphat had faced a great multitude and won. Lois, too, was facing a "great multitude"of cancer cells. The battle was on: God, Jehoshaphat and Lois against the enemybreast cancer. This is the story of how they won!
