Von Christopher Scoates : Brian Eno: Visual Music before purchasing it in order to gage whether or not it would be worth my time, and all praised Brian Eno: Visual Music:

KundenrezensionenHilfreichste Kundenrezensionen1 von 2 Kunden fanden die folgende Rezension hilfreich. ein absolutes MussVon Greta MaraDieses Buch "Visual Music" von Brian Eno ist ein absolutes Muss !!!Abgesehen von Enos brillanten Texten /Ansichten enthlt es einen phantastischen Abriss seiner Kunst - seine Bilder und Installationen sind unglaublich.Der Bildband ist wunderschn aufgemacht und exzellent verarbeitet.1 von 2 Kunden fanden die folgende Rezension hilfreich. Connects the dotsVon Anatol LockerVery enjoyable and well informed documentation on Mr. Brian Enos concepts of art throughout 50 years. I got a lot of new insights from it.

Kurzbeschreibung This comprehensive monograph celebrates the visual art of renowned musician Brian Eno. Spanning more than 40 years, *Brian Eno: Visual Music* weaves a dialogue between Eno's museum and gallery installations and his musical endeavors all illustrated with never-before-published archival materials such as sketchbook pages, installation views, screenshots, and more. Steve Dietz, Brian Dillon, Roy Ascott, and William R. Wright contextualize Eno's contribution to new media art, while Eno himself shares insights into his process. Also included is a download code for a previously unreleased piece of music created by Eno, making this ebook a requisite for fans and collectors.

Pressestimmen "For more than 40 years Brian Eno 'has explored the complex relationship between light and sound,' Christopher Scoates writes in *Brian Eno: Visual Music*, a beautifully designed analysis of how Eno became 'completely enveloped in new and unorthodox ways of thinking about the world, visual ideas and music.' This is a catalog of awesome accomplishments, in which we see how Eno's 'parallel practices have often informed each other.'" - *New York Times Book*
