Von William M. Clarkson : ¡Bscaló! (Look It Up!): A Quick Reference Guide to Spanish Grammar and Usage before purchasing it in order to gage whether or not it would be worth my time, and all praised ¡Bscaló! (Look It Up!): A Quick Reference Guide to Spanish Grammar and Usage:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. The Holy Grail: A one-stop, easy-to-read grammar guideVon Andy OrrockI'm taking Spanish lessons, and I've spent

countless hours researching various grammar tips from a myriad of sources and scribbling them down in a notebook. At times, I get frustrated when my notes start to contradict themselves or otherwise spin out of control. Sound familiar? I've checked with other students of the language and I know this to be a common problem. That's why coming across 'Buscalo' was such a revelation to me. Here's a *complete* guide to Spanish grammar, beautifully arranged and presented in easy-to-reference alphabetical format. Each item is explained clearly and all exceptions to an item are catalogued and presented in a way that makes proficiency of the language seem (finally) within my grasp. The examples provided always seem to clear up what little ambiguity may have been left by the explanation. My particular hangup has always been when exactly to use the subjunctive mode. It takes 3 and 1/2 pages to do it, but you'll never see a clearer list of examples giving you a flavor of when to employ it. Get this book + a good dictionary + '501 Spanish Verbs' (Kendris) and you've got a great foundation for learning Spanish.

Kurzbeschreibung "A novel approach--very useful for quick reference."--Mark Goldin Associate Professor of Spanish, George Mason University "Very user-friendly and easy-to-find information. Alphabetical order is an innovation in comparison to other grammar guides on the market. I would recommend this guide to students of all levels."--Keith Mason, Spanish instructor, New Providence High School "The explanations are to be praised for their clarity."--Judith Nemethy, Director of Spanish Language Studies, New York University!Buscalo! (Look It Up!) gives you remarkably quick, concise, and reliable answers to common problems of grammar and usage. Unlike most guides to Spanish grammar, !Buscalo!'s easy-to-use alphabetical format allows you to go directly to the entry that addresses your specific question. Over 500 entries cover everything from meaning, use, and grammar to precision, punctuation, and sentence structure. Cross-referenced in English and Spanish, with a helpful pronunciation guide and explanations of grammatical terms, !Buscalo! is a unique one-stop reference that is perfect for both casual and serious students. Synopsis "...organization is praiseworthy in that the user is not required to think in grammatical terms. The explanations are to be praised for their clarity." -Judith Nemethy, New York University. "Its novel approach is very useful for quick reference." -Mark Goldin, George Mason University. !Buscalo! (Look It Up!) helps Spanish students quickly unravel the often baffling peculiarities of Spanish grammar and usage. Much more user-friendly than standard texts, this easy-to-use alphabetical reference is organized around the common problems of Spanish grammar and usage that perplex students at all levels. Instead of beginning at the index and ending in uncertainty and confusion, readers go directly to the entry covering their specific problem, where they find clear, concise, and complete answers to all their questions. Over 500 entries covering everything from meaning, use, and grammar, to punctuation, precision, and sentence structure. * Features a helpful pronunciation guide and a glossary of grammatical terms. WILLIAM M. CLARKSON, PhD and GUILLERMO CAMPOS (both of San Antonio, Texas) are professors of Spanish at San Antonio State College and coauthors of a popular Spanish textbook, *Aquí Nomás (Spanish for Spanish Speakers)*.
