Von Joss Whedon : Buffy the Vampire Slayer Season 9 Volume 1: Freefall (Buffy the Vampire Slayer Season 9 Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Buffy the Vampire Slayer Season 9 Volume 1: Freefall (Buffy the Vampire Slayer Season 9 Series):

Buffy als ComicVon InesAls die TV-Serie beendet war gab es fr mich noch einen Haufen offener Fragen. Nachdem ich die 8.Staffel als Comic gelesen hatte war ich unglaublich froh zu hren, dass es auch eine 9.Staffel geben wrde.Fr echte Buffy Fans sind diese Comics eine Entschdigung dafr, dass ihre Lieblingsserie nicht mehr im Fernsehen luft. Der typische Humor von Joss bleibt auch in den Comics erhalten und die Zeichnungen erinnern stark an die Personen aus der TV-Serie. Fnf Sterne dafr, dass ich weiter an den Geschichten um Buffy und die Scooby-Gang teilhaben kann!0 von 0 Kunden fanden die folgende Rezension hilfreich. Buffy is backVon Lars WierumPhew, after pushing myself through the really totally weird Season 8 including meet and greet with nearly ALL characters of the Buffyverse I was really happy to read the first chapter of season 9, which brings Buffy and her friends and foes back to basics. Somehow they (or Joss Whedon) manage to get the turn from the end of season 9 to a good and sometimes surprising story that reminds of the true Buffy business that we all like.I like the new characters and I think everything is really promising - can't wait to read no. 2!0 von 0 Kunden fanden die folgende Rezension hilfreich. It's a start ...Von Sandra SeersI am a hardcore Buffy-Fan and have been for years. The 8th Season was disappointing for me, so I did not finish it. After several recommendations by friends I ordered Freefall and liked it. Not knowing what went down in Season 8 leaves some questionmarks, of course, but I will buy Volume 2 as well, since the start was really promising.

KurzbeschreibungSeason 8 ended with a bang that cut the world off from magic culminating in another set of world-ending problems. Buffy has left her best friend, Willow, powerless, and brought an end to a millennia-long tradition of superpowered girls. By day, Buffy is a twenty-something waitress with no real direction, and even though magic is gone, she s still a vampire Slayer by night. Bigger problem? Vampires are becoming an epidemic... of zompires! Collects Buffy the Vampire Slayer Season 9 #1 - #5. \* Written by series creator Joss Whedon and Andrew Chambliss of ABC's One Upon a Time!
