whining Von Karin Meyer I might have been reading a different book considering that I'm the first person who would rate it with only 1 star. Well, let me explain why I think it's a waste of time and money to buy it: 1/3 of the book is him whining about how much he misses his home family or how badly he slept or how awful his headache was.... 1/3 of the book focused on him being worried about missing his next bit of organised means of transport.... And another third of this book was him trying to convince his readers (and most likely himself!) as to how lucky he was to be wherever he was.... Honestly: Mr Borman tries so hard to convince everybody that he was actually having fun that it gets annoying after a while. I do appreciate his effort for UNICEF, but I can't possibly imagine that he got a lasting impression from any of his well-organised adventures. Anybody backpacking probably gets more out of his trip than Mr Borman got out of his... 0 von 0 Kunden fanden die folgende Rezension hilfreich. Ein weiteres Abenteuer mit Charlie Boorman Von Rix Wer Charley Boorman kennt, dem braucht man hier eigentlich nicht viel Neues zu erzählen. Der neue Abenteuer-Trip "By Any Means" wird hier mit genauso viel Begeisterung, Ehrlichkeit und Humor geschildert, wie es auch schon in "Race to Dakar", "Long Way Down" und "Long Way Round" der Fall war. Natürlich werden auch hier dann und wann ernstere Töne angeschlagen, wenn es zum Beispiel um die Arbeit von UNICEF geht, welche Boorman nun schon seit vielen Jahren unterstützt. Auch wenn es oft schnell von Land zu Land zu gehen scheint, so schafft es Boorman doch stets, Momente einzufangen, die nicht nur ihn sondern auch den Leser in den Bann ziehen und einen Eindruck vom Leben, dem Glück und den Problemen der Menschen geben. Kurz gesagt, eine wilde Reise durch eine Vielzahl faszinierender Länder mit Hilfe der unterschiedlichsten Transportmittel (By Any Means eben). PS: Wer des Englischen mächtig ist, dem sei auf jeden Fall die Originalfassung empfohlen, da auch die beste Übersetzung nie den Charme von Charley Boormans Erzählstil ganz einfangen können wird. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Great reading Von Dirk Kindgen Shows how important travel for building an opinion is. Easy reading, stimulating and motivating. Can recommend reading it when interested in widening the own horizon.

Kurzbeschreibung Four million captivated viewers watched Charley Boorman complete his last adventure - LONG WAY DOWN - which took him from John O'Groats to Cape Town. Along with Ewan McGregor he achieved not only this amazing feat, but also circumnavigated the globe on the LONG WAY ROUND. In between these two incredible journeys, he found the time to compete in the Dakar Rally, telling his story in his bestselling book RACE TO DAKAR. Charley's passion for travel and adventure continues in his new challenge - BY ANY MEANS. Travelling from his home town in Co Wicklow all the way to Sydney, he will use any means he can to reach his destination, via transport as diverse as steam train, horse, boat, kayak, truck, and tuk-tuk. And of course his beloved motorbike! Whether crossing the Black Sea, trekking through Tibet, riding an elephant in India or hiking through the forests of Papua New Guinea, this will be a unique opportunity to meet fascinating people and explore extraordinary places. With trademark enthusiasm, dedication and good humour, Charley's new trip is set to be his most challenging yet. Pressestimmen "Replete with colorful characters, hair-raising action and enough raw machismo to knock over an elephant."
