Searching is the most lifechanging book I've ever read. Von jchase@ragingbull.com After having read Isobel Kuhns's book in college nearly 40 years ago, it's truths remain a dynamic part of my lifestyle. Isobel truly cooperated with God in such a fervent way that He was able to complete an amazing ministry in China. Although this book was written decades ago, it's relevance for today is outstanding. We will be using it this summer as part of a ladies' Sunday School class about prayer. I challenge anyone to read *By Searching* and come away unchanged by God's love and power. 0 von 0 Kunden fanden die folgende Rezension hilfreich. I recommend it for those who are searching for the truth. Von Ein Kunde Inspirational! I read this book for the first time when I was in high school. Now fifteen years later I still pick it up and read it from time to time. It is uplifting and encouraging. Not only that, when you finish the book, you will see this world with a brand new perspective. The author's determination to run away from God was replaced by the love for Him after she was encountered by the one and only true God. That encounter changed her life. It can change yours too. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Frank and honest style. For those searching for the truth. Von vincent_ho@hp.com Must read, especially for 2nd generation Christians, or youngsters searching for God for themselves. The style is frank and easy. You'll come away knowing God better. I happen to come across this book "by chance". Now I am reading all other books by Isobel KUHN.

Kurzbeschreibung Isobel Miller gave up God for worldly pursuits. But as graduation approached and her engagement was broken, she questioned that decision. 'If You will prove to me that You are, and if You will give me peace, I will give You my whole life.' God heard Isobel's prayers and responded. He reached out to her, ending years of searching and building her up for decades of fruitful missionary service with her husband, John Kuhn, in China.
