Von Mandy Smith : Cabin Fever: The sizzling secrets of a Virgin air hostess (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Cabin Fever: The sizzling secrets of a Virgin air hostess (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A good read but it left me with mixed feelings about this book.Von jason.kaisersmithThis is a light hearted easy to read book,

and generally a good read. Yet at the end of it I felt somewhat unfulfilled, unlike Mandy! There are certainly stories about passengers and staff that you wouldn't believe, some which you expected but didn't know if they were true and others which are clichéd. You get to here about the good, the bad, the ugly, the funny and amazing and also the sad. And this to me was the best part about the book. Mandy takes you through her journey of how and why she became a stewardess, the stress and true working and living conditions and implications of such a job, and how and why she moved on in life. From this perspective it comes across as a well-written genuine account of her life and is a good and interesting journey which is put over well. But as the book develops the stories about the life and times of the staff and the passengers become less and less and it becomes more about who she is having a relationship with and her struggle to find Mr. Right. I guess that wanted and expected more about the life and shenanigans of the passengers and staff and less about her sex life. Although the journey is good and interesting I am left with mixed feelings for the book, but good feelings towards the author. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Hbsche Lektüre fr Nebenbei Von Peter Ein unterhaltsames Buch über das Leben einer Stewardess von Virgin Airlines. Nichts Schlimmes, kein Porno, aber nett und lustig geschrieben.

Kurzbeschreibung SHORTLISTED FOR THE PEOPLES BOOK PRIZE 2015 This fun read dishes on what it's like to live with your head literally in the clouds - from in-flight fist fights to sneaky sex at Luna Park during a Sydney stopover. Cosmopolitan FORGET the Mile High Club, from blood-splattered toilets and passengers trying to set themselves on fire to celebrity spats and shocking racism, former Virgin Atlantic air hostess Mandy Smith tells Express.co.uk what really goes on in the air. Daily Express A rollicking read with heart. Good Reading "Mandy Smith spent 12 years as an international flight attendant and her memoir lives up to the young and saucy image the Virgin corporation is careful to cultivate." Sun Herald "Sometimes you want to read books because a/ they're incredibly trashy; b/ they make you laugh; and c/ they could be true. Cabin Fever is one such book." Canberra Times BUCKLE UP FOR THE RIDE OF YOUR LIFE... Mandy Smith spent twelve years strutting down the aisles as one of Richard Branson's sexy and sassy flight attendants. In Cabin Fever she tells the good, the bad and the downright naughty tales of life in the air. From dealing with projectile vomit and celebrity tantrums to sipping Manhattans and shopping in New York, this is riotous good fun. Set against a backdrop of exotic locations, the cast of zany characters includes everyone from Courtney Love to Sir Richard himself. Mandy's jet-setting job allowed her to search the globe for Mr. Right, which led her to many steamy love affairs. She even joined the Mile High Club, though not with a clumsy quickie in the toilet but a leisurely bonk in a Cessna. She's no Virgin, and in-flight entertainment has never been so risqué!
