Fr SchottlandfreundeVon Eva-Maria KraemerIch habe mir dieses Buch gekauft, weil ber eine Bekannte berichtet wird, die ich in den Cairngorms besuchte, als sie noch in der Bergrettung mit ihren Bearded Collies aktiv war. Als begeisterte Schottlandreisende hat mich dieses Buch gefesselt und Einblicke nicht nur in die Arbeit dieser freiwilligen

Helfer vermittelt, sondern auch, wie sich in den letzten Jahrzehnten viel verändert hat. Es ist für alle interessant, die sich mit der Bergrettung beschäftigen und lebenswichtig für die, die gerne in Schottland wandern.

KurzbeschreibungFor over thirty years John Allen was an active member of the Cairngorm Mountain Rescue Team and for most of them acted as Team Leader. In 'Cairngorm John' (his call sign when in contact with search and rescue helicopters) he recalls the challenges of mountain rescue and the many changes he has both witnessed and been a party to. His book is filled with exciting accounts of real-life rescues, discussions of mountain rescue topics such as hypothermia, first aid, and the use of helicopters and search and rescue dogs. Peopled with interesting characters his accounts are at all times humane and the book is laced with humour.**Kurzbeschreibung**For over thirty years John Allen was an active member of the Cairngorm Mountain Rescue Team and for most of them acted as Team Leader.
