Fantastic, the new Christmas classic, everyone should own itVon Ein KundeThis book will be a great gift for any transplanted Cajun. I recieved this as a gift many Christmas"s ago. It has a special place on my bookcase, and is shown to all my guests. I brought it to work, read it in its true nature to my co workers and they all wanted a copy of it. This book is a must for all households, large and small. It is heart warming, and comical. Sometimes I take it out of my bookcase and hug it, that is how special it is to me. No home should be without it.0 von 0 Kunden fanden die folgende Rezension hilfreich. Cajun Night Before ChristmasVon Elizabeth R. StilesI have had this book for almost twenty years, and every Christmas my friends beg me to read it to them with my Cajun accent. This is such a FUN book for

children and adults, and it is written in the Cajun dialect so that it is easy to have a Cajun accent. I have never met anyone who didn't fall in love with this book! Buy it! You won't be sorry, and it will become a family heirloom for many generations to come.0 von 0 Kunden fanden die folgende Rezension hilfreich. Very entertaining and well received when read out loud!Von Ein KundeMy daughter received this book as a gift in 1977 when we lived in Louisiana and it has become a tradition to read it every Christmas (even though we left the South long ago). The characters are easy to relate to because we know the originals - and these are so clever. Just brush up on your accent before reading aloud.

KurzbeschreibungMore than twenty-five years after its first appearance, Cajun Night Before Christmas has become a modern classic that has sold more than 1,000,000 copies and has served as the model for Pelicans ongoing, best-selling Night Before Christmas Series.The formula that started this success story is surprisingly simple: take the classic story of jolly old St. Nicholas, place it in a Louisiana bayou, dress Santa Claus in muskrat from his head to his toes, pile his skiff high with toys, and hitch it to eight friendly alligators. The result is a delightful twist on an old and familiar tale. It is Christmas on the bayou.
