Von Johanna LawrynowiczWhat we can say about Tiger except that he is a thoroughly bad boy with the ability to illicit love and, even devotion? Sebastian Stone falls in love and commits himself to saving Tiger's six-year-old daughter's life. Sebastian finds happiness even euphoria, if only briefly. A complex book but written with Mr.Stone's usual ironic style. It is a tragic but endlessly funny daily account of manipulation and self-deception. The sex is, as always, informative gving unambiguous insight into this misterious but fundamental activity.

KurzbeschreibungTiger is a beautiful Palestinian man with a history of problems whom I befriended.
