Von Mickey Little : Camper's Guide to Texas Parks, Lakes, and Forests: Where to Go and How to Get There (Camper's Guide to Texas: Parks, Lakes, Forests; Where to Go How) before purchasing it in order to gage whether or not it would be worth my time, and all praised Camper's Guide to Texas Parks, Lakes, and Forests: Where to Go and How to Get There (Camper's Guide to Texas: Parks, Lakes, Forests; Where to Go How):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Texas is Big, buy a good camping book.Von Ein KundeI live in Texas, and I have so for all of my life, but it is sure is surprising to find out how big Texas exactly is. In this book you get, in detail, a listing of state and national parks and

forest for the 4 regions of Texas. Being that Texas is so big, each region tends to have all different types of camp sights compared to some of the other regions. The nice thing about this book is it gives you information about OTHER parts of Texas, perhaps that you haven't visited yet. I love to camp but tend to stick to those areas near me, or that I visited as a child. This book should give you enough information to maybe visiting some new sights.0 von 0 Kunden fanden die folgende Rezension hilfreich. the book to have for camping in texas Von Monte Osburn I operate a year round therapeutic camp for teen boys. The camp goes on many trips, from day trips to extended trips. This book by Mickey Little is an invaluable resource in planning the trips for my staff and 30 boys. Lots of maps, descriptions on campsites and group sites, and of course, activities for the kids once we get there. I would'nt plan a trip without Mickey.

Kurzbeschreibung A practical guide from an expert camper who rates campsites throughout Texas including location, facilities, activities, sights, layout, fees and cautions. Photos give the flavor and attractions of many of the sites. Kurzbeschreibung A practical guide from an expert camper who rates campsites throughout Texas including location, facilities, activities, sights, layout, fees and cautions. Photos give the flavor and attractions of many of the sites. Synopsis A guide to camping in Texas. This updated and revised edition offers more than 150 colour maps and hundreds of campground descriptions.
