There's more to receiving God's blessingsVon ELMARIA JORDANThere is more to receiving God's blessings than meets the eye. The blessings of God are greater than words. I've learned and I'm continuing to learn that there is indeed a process (before you're even aware of it) that takes place (in you) before a manifestation of God's blessing is handed down. The beauty is it's God who gives the blessings, but also it's God who enables us not only to extend our hand to receive the blessing, but it's also God who enables us to open that same hand. As God opens our hand to receive His blessings He also prepares us, prepares our heart, our emotions, and our abilities (in advance) to handle the opposition, the resentment, the rejection and the pain that comes from friends, family, church members, and yes, even the saints of

God. You see so many people (Christians, and non-Christians alike) want the blessing, but are they first in love with the giver of the blessing, the Sovereign One? It is through reading this book (Can You Stand to be Blessed) that I'm reminded of the organization and the turn of events, that take place while in the process of being, "BEING PROCESSED FOR GOD'S BLESSING." Once Again, T.D. Jakes, Thanks for sharing what either our parents, aunts, and uncles didn't know, or perhaps they just didn't know how to share on being a receiver of God's blessings. I will continue to pass on the gift of learning, and sharing not only just the blessings of God, but also the preparation process. I've been on a blessing journey for quite a while. I'm on the way, and yes there are some good times along the way, however, there are also some not so good times. The truth, the truth must be shared. The blessings of God are available but "Can You Stand to be Blessed" is the question. You Can Stand to be Blessed, but you mustn't nor will the Father allow you to miss the process. Oh God cares for us sooooo much, that every step in His process will be completed to His satisfaction before we are allowed to move on. T.D. Jakes, I continue lifting you up in the hearing of the Father, believing that God continues to sharpen your hearing of His voice as you continue to share the Father's heart with the people. You too continue being able, and willing to "Stand to be Blessed"

For all who have struggled Von Ein Kunde Bishop Jakes in his own sometimes humorous, sometimes heartwrenching style teaches us through the scriptures as well as examples from his own life. It is so refreshing to see a man unafraid to bare all for the world to know. He shares his own humble beginnings as a young black man struggling with secular employment and hardly being compensated for gas money when he preached, to losing his secular job and being virtually forced out of his comfort zone into faith. He was without a job, without a car, without utilities, and sometimes without food while working odd jobs to scrape together enough money to feed a wife and two children. For those of us that have been there or are there he gives us comfort in knowing we haven't been forsaken, for those who haven't been in that place, this book takes you there and you will never be the same again.

CAN YOU STAND TO BE BLESSED, takes a in depth look at stuggle and how we as followers of the gospel of Jesus Christ, are to over come the snares of Satan. I found this book to be very uplifting and giving in the sense of direction and the purpose that we have to grow. I would recommend this book to anyone who is at a crossroads in their life and once you finish you will find that you can't stand to be blessed.

Kurzbeschreibung In this book T.D. Jakes teaches you how to unlock the inner strength to go on in God. The requirements that he discusses prepare you for your intended purpose. The only question that remains is, Can You Stand to Be Blessed?
