Kurzbeschreibung"Carl and Sham are Best of Friends" is a series of beautifully illustrated bilingual children books in English and German. Much like the two authors, their inner-child alter egos are on a journey through this world that is driven by curiosity, friendship, and joy in discovering the small and big surprises that this world holds for them. They overcome the challenges they are faced with teamwork, creativity, and a little bit of luck. Their stories are ideal to read together with your child, as they include colourful illustrations, friendly characters, and short sentences that rhyme. You can decide to read in English or German and, over time, may teach your child its first words in a second language. Originally conceived for a single audience, Carl's now two year old nephew, the acceptance of books convinced the authors to share them with a wider audience. In this volume "Carl and Sham love Marzipan", our two heroes are faced with a sudden shortage of their favorite treat and embark on a journey to track it down.
