Von Alesandro Alciato, Carlo Ancelotti : Carlo Ancelotti: The Beautiful Game of an Ordinary Genius before purchasing it in order to gage whether or not it would be worth my time, and all praised Carlo Ancelotti: The Beautiful Game of an Ordinary Genius:

KundenrezensionenHilfreichste Kundenrezensionen0 von 1 Kunden fanden die folgende Rezension hilfreich. Carlo and Milan ForeverVon IBM's FanIch bin eine Milanista seit Jahren. Letzte Zeit habe ich die Autobiographie von Carlo

Anceletti gelesen. Es gibt so viele Lcherlichkeiten in dem Buch, dass ich nicht anders als lachen kann, besonders in der Seite, die Rosoneri sich prsentieren. Es gibt auch viele Monologe, wodurch man kann die Gefhle von Anceletti whrend seiner Zeit in Milan verstehen, wie ein Trainer ein Team groartig zu fhren. Er wird in Chelsea auch erfolgreich. Auendem ist das Vorwort von Paolo Maldini auch lustig. Wenn ich das Buch zu lesen anfangen, kann ich bis zum Fertig nicht stoppen. Und das Buch ist empfehlenswert fr die Milanisti und Fans fr FC Chelsea.

Kurzbeschreibung The entertaining, revealing, and controversial bestselling autobiography of one of the most respected figures in the world of soccer. Carlo Anceletti is one of only six people to have won the Champions League European soccer's most coveted trophy as both player and coach. After a successful career playing for several of the most important teams in Italy and for the Italian national team, Anceletti went on to become one of the most acclaimed and outspoken coaches in European football, managing Italian giants Parma, Juventus, and Milan before moving to Chelsea, one of the Premier League's most successful clubs, in 2009. The book moves from anecdotes of his life growing up in Reggio Emilia to stories of his time playing among the best footballers in the world. With a characteristic mixture of sharp insight and humor, Anceletti explores the differences between the Italian and the English games, shares his thoughts on soccer's future with the MLS in America, and reflects on the 2010 World Cup in South Africa. With a preface by the legendary former captain of the Italian national team, Paolo Maldini, this book is at once a tactician's bible from one of the world's most celebrated footballing minds, the fascinating story of an ordinary man reaching great heights, and in part a revealing tell-all from an outspoken insider in the cut-throat world of European soccer. The perfect book for anyone with a passion for the beautiful game.

Pressestimmen "The book is a riot; frank, anecdotal, dripping with hilarious self-deprecation..." ~Jonathan Northcroft, Sunday Times (UK) "hugely entertaining" ~Henry Winter, Daily Telegraph (UK) "smart and surprising" ~Paul Doyle, Guardian (UK) "For those with an interest in football (soccer), for those with an interest in a well told tale, 'Carlo Anceletti' by 'Carlo Anceletti' with Alessandro Alciato (Rizzoli New York, \$25.00, 264 pages, 35 photographs) fits the bill. The former star player, the famed coach of top teams in Italy and England, the outspoken Anceletti touches all bases in this illuminating autobiography. There is something to learn on each page about 'the beautiful game' and the man some call 'the ordinary genius'." ~Frommer Luxury Travel "For the first time in English, Anceletti's autobiography, Carlo Anceletti: The Beautiful Games of an Ordinary Genius, released yesterday. The book offers candid insight on the difference between the Italian and English games. Anceletti's playing days at Parma, Roma and Milan are well covered, as are his recent managerial triumphs. Friend, and former teammate, Paolo Maldini offers the forward." ~Selectism
