Absolute Muss fr jeden Red/Fan von SportbiographienVon mark2612Toller Einblick in das Aufwachsen und Leben einer wahren Reds-Legende. Sehr ausfhrlich beschrieben und der Text ist auch fr nicht so gebte Englischsprecher relativ

einfach verständlich. Eine der definitiv besten Sportbiographien die ich bis jetzt gelesen habe.

KurzbeschreibungFor the Anfield faithful, Jamie Carragher represents everything that is great about Liverpool Football Club, prompting the Kop to sing 'we all dream of a team of Carraghers'. The club's vice-captain, longest-serving player and one of a select band of players to have made more than 500 appearances for the Reds, Carra never gives less than 100 per cent for the cause. He is the embodiment of old-fashioned football values - a rarity in the modern game - honest and uncompromising. In *Carra: My Autobiography*, the Liverpool defender takes us deep into the heart of Anfield, into the club's past glories and its uncertain future. In his typically down-to-earth style, Carra reveals what made him discard his blue Evertonian roots to become a fully fledged Red, how he mended his wild ways to become a true professional and a multiple trophy-winner, and the truth about a succession of managers - Evans, Houllier, Bentez - in the hottest seat in football. A Scouser through and through, Carra also has some forthright views on the England team, and tells why he rejected calls to return to the international fold. Full of sensational stories and controversial opinions, of glory and heartbreak on and off the pitch, *Carra: My Autobiography* is a football book unlike any other. The authentic voice of Anfield, Carra is one of the Bootroom Boys in true Liverpool tradition, and is as committed on the page as in every game he has played.

Pressestimmen"Carragher has just written one of the best player autobiographies you could read, typically a product of honesty and dedication. The Kop dreams of a "team of Carraghers". Journalists wouldn't mind a game full of them." (Jonathan Northcroft Sunday Times 2008-10-12)"Top man, top memoirs... At last, an autobiography of Premier League standard... Many recent Premier League autobiographies have been pretty lame affairs, veering from the tedious (Michael Owen) to the defensive (Rio Ferdinand) via the utterly deluded (Ashley Cole). Hallelujah, then, for Jamie Carragher. The Liverpool defender is that rarest of things: a self-aware footballer with a genuine insight into the game he's playing, the nous to explain it clearly, and the honesty to say what he thinks... Carragher has clearly been itching to write this amusing, anecdote-packed biog, and he's never short of an opinion... it's this frankness that makes Carra compelling reading... Essential reading for Kopites, it should also be issued to any cynic who believes that footballers don't care as much about our game as the fans" (FourFourTwo 2008-10-01)"Carragher's memoirs are every bit as forthright and single-minded as you would expect... Football fans have long since grown tired of reading players' autobiographies that have been watered down by club press officers or self censored by the player themselves and such books are literally not worth the paper they are written on. Carragher's clearly doesn't fall into this category and in actual fact it is a fantastic record of the career of a genuine Liverpool legend which is so well written it can be enjoyed by football fans no matter what their hue... *Carra: My Autobiography* is an outstanding piece of work which is befitting of an individual who is not afraid of expressing his own opinions" (Tony Barrett Liverpool Echo 2008-09-06)"Startlingly forthright... his memoirs are a perfect gauge of his intelligence" (Paul Hayward The Guardian 2009-01-24)"Carragher never gives anything but his all, ensuring that fans of every colour secretly agree with the Kop's ditty. Carra's uncomplicated persona is reflected in his playing style; this fine autobiography strengthens the belief that he is a football fan doing something he adores while enjoying the recognition of those he admires most." (Peter Sharkey Yorkshire Evening Post 2008-09-20)
