**Von Hardie Grant Books : Casey Stoner: Victory Lap** before purchasing it in order to gage whether or not it would be worth my time, and all praised Casey Stoner: Victory Lap:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. tolles BuchVon Teddy D.Ich bin riesen Casey Stoner Fan und dachte mir ich muss dieses Buch unbedingt haben. Am schNSTEN sind die vielen Bilder und auch Zitate von Casey stehen drin. Preis-Leistungs-VerhltNis ist angemessen, auch wenn am Ende noch viele Dinge fehlen. Das letzte Rennen ist Laguna Seca, alles was danach noch kam (Indianapolis z.B. wo Stoner trotz schwerer Verletzung auf Platz 4 fuhr.. oder das hervorragende Rennen auf "Casey's Island" welches er gewann..) fehlt leider. Gut, er musste drei Rennen aussetzen, dass dazu nichts drin steht ist natrlich klar, aber die letzten drei Rennen fuhr er noch mit. Vermutlich war dieses Buch schon vorher fertig bevor die Saison behaupt zu Ende war.Nichtsdestotrotz liebe ich dieses Buch und wrde es mir jederzeit wieder kaufen.Casey Stoner #27 forever0 von 0 Kunden fanden die folgende Rezension hilfreich. Super storyVon David ArcherA really good story, for a boy growing up and his love for motorbikes, and going fast, with Mum and Dad backing him all the way, to get through to be a world champion, very good reading.

Kurzbeschreibung Filled with sensational photographs and revealing insights into the thoughts of motorcycle racing champion Casey Stoner, this book celebrates Stoner's talent, successes and contributions to the sport. His early years, his spectacular riding skills and amazing wins in MotoGP in front of a world-wide audience. A rare and fascinating look at the way a top rider races, both mentally and physically, and succeeds. The book follows Casey Stoner's career in MotoGP since he began riding internationally at 15 years old. He has had great wins, crashes and close calls and became World Champion at 21 years of age. He is the current defending World Champion. At the end of this season in November 2012 he will retire from MotoGP. He will be 26.
