Von Alina Fernandez : Castro's Daughter: An Exile's Memoir of Cuba before purchasing it in order to gage whether or not it would be worth my time, and all praised Castro's Daughter: An Exile's Memoir of Cuba:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. couldn't put it down!Von Ein KundeI have lived in Miami 39 years. Every day I think of Cuba, talk about Cuba and hear the exile's radio. I thought I knew a lot about life in Cuba - the missery, the control - but never, imagined how horrible life could be for the cubans - Alina's description is a revelation. Life put her in a difficult - to say the least - position. I'm

happy she was able to leave hell behind!0 von 0 Kunden fanden die folgende Rezension hilfreich. Oh Please!Von Ein KundeThis book is a careless attempt to discredit Fidel Castro and the glory of Cuba. Perhaps if this young lady had in her the spirit of the revolution rather than looking to become a society girl in a classless society her miserable life would of been somewhat more fuffling. Stop whining and do some work!0 von 0 Kunden fanden die folgende Rezension hilfreich. best look inside castro's cuba to dateVon Ein Kundealina fernandez must have nerves made of pig iron to have survived the life she did in cuba as a young girl. her book paints a picture of a world so alien and biased that i feel i have finally read what modern day cuba is all about.

Kurzbeschreibung"Mommy, mommy, call him. Tell him to come here right away. I have so many things to tell him!"I had a ton of things to tell him. I wanted him to find a solution to all the shortages of clothes; of meat, so it would again be distributed through the ration books.I also wanted to ask him to give our Christmas back. And to come live with us. I wanted to let him know how much we really needed him...Fidel didn't answer my letter. I kept writing him letters from a sweet and well-behaved child, a brave but sad girl. Letters resembling those of a secret, spurned lover...As a girl growing up in Cuba, Alina Fernandez found nothing abnormal in the fact that Fidel Castro would occasionally visit her house bearing gifts just for her. At the age of ten, her mother finally told her the truth: she was Castro's Daughter.Pressestimmen"A tantalizing prospect for anyone who is curious about the private life of Castro." --Mirta Ojito, The New York Times
