Von Phil Thornton : Casuals: The Story of a Terrace Cult (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Casuals: The Story of a Terrace Cult (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 1 Kunden fanden die folgende Rezension hilfreich. Lesenswerte LektreVon Dr. SonntagFuball, Musik, Riots und vor allem Kleidung. Phil Thornton hat mit Casuals das Standardwerk zu einer Szene vorgelegt, die schwer zu fassen oder auf einen gemeinsamen Nenner zu bringen ist. Aus diesem Grund hat er sich fr den einzig gangbaren Weg entschieden: Thornton lsst immer wieder Akteure zu Wort

kommen, die ihr jeweiliges Verständnis des Casual-Kults erklären und es biographisch untermalen. Das Ergebnis ist ein repräsentatives Mosaik der Evolution jener britischen Jugendkultur, die (anders als nahezu alle anderen Jugendkulturen) nicht massenmedial aufgebaut worden ist, sondern im Gegenteil! sich immer wieder gegen eine Stereotypisierung zu Wehr zu setzen wusste. Das Buch ist unterhaltsam geschrieben und spannend zu lesen. Unterm Strich eine Pflichtlektüre für dieses Thema.
ber this thing out of ours.
2 von 2 Kunden fanden die folgende Rezension hilfreich. Top Nachschlagewerk zur Fußballkultur!
Von Ein Kunde
Casual has come a long way, baby! Hier kommen diverse Fans von kleineren Vereinen (Norwich, Huddersfield, Luton, Hibernian Edinburgh) und den großen britischen Clubs (Liverpool, Everton, Arsenal) zu Wort und geben einen Einblick, wie die Welt vor Burberry Stone Island aussah. Neben dem Einfluss von Bands wie Pink Floyd, The Farm und den Happy Mondays werden auch die Auswirkungen von Heysel, Hillsborough und den Drogen zu Beginn der Neunziger ausführlich beschrieben. Auch nach dem ersten Lesen ist das Buch immer noch ein gutes Nachschlagewerk. Wen Kleidung beim Fußball allerdings nicht sonderlich interessiert, sollte die Finger davon lassen.
1 von 1 Kunden fanden die folgende Rezension hilfreich. Nette Berichte. Leider nur in englisch mit vielen Eigenwörtern. Für Leser mit Schulenglisch stellenweise schwierig.
Von Hans-Jürgen Kuhlmann
Nette Berichte. Leider nur in englisch mit vielen Eigenwörtern. Für Leser mit Schulenglisch stellenweise schwierig. Trotzdem für den am Casual Lifestyle interessierten ein Muss.

Kurzbeschreibung
DAILY RECORD
'The rise of the casual is revealed!'
THE WORD
Thornton's intricate study and compilation of eye witness accounts is the new standard bearer.
'WHEN SATURDAY COMES'
An essential read for all purveyors of terrace culture.
'First came the Teds, then the Mods, Rockers, Hippies, Skinheads, Suedeheads and Punks. But by the late Seventies, a new youth fashion had appeared in Britain. Its adherents were often linked to violent football gangs, wore designer sportswear and made the bootboys of previous years look like the dinosaurs they were. They were known as scallies, Perry Boys, trendies and dressers. But the name that stuck was Casuals. And this grassroots phenomenon, largely ignored by the media, was to change the face of both British fashion and international style.
CASUALS recounts how the working-class fascination with sharp dressing and sartorial one-upmanship crystallised the often bitter rivalries of the hooligan gangs and how their culture spread across the terraces, clubs and beyond. It is the definitive book for football, music and fashion obsessives alike.

Synopsis
First came the Teds, then the Mods and Rockers, then Hippies, Skinheads, Suedeheads and Punks. But by the late 1970s, a new kind of youth fashion had appeared in Britain. Its followers formed violent hooligan gangs, wore smart designer sportswear and made the bootboys of previous years look like the dinosaurs they were. These gangs were sometimes known as "scallies," "trendies" and "dressers," but the name that stuck was Casuals. They were to change both the face of fashion in Britain and to influence international style. Yet for several years, this grassroots phenomenon passed by unnoticed by a media that didn't understand what was going on. Casuals definitively traces the roots of the movement in inner-city Liverpool and, through first-person interviews with main "faces," recounts how it spread across the terraces.
Author Phil Thornton explains how the hooligan firms evolved and describes how the working-class fascination with sharp dressing and sartorial one-upmanship crystallised the often bitter rivalries of crews across England
The recent explosion in terrace fashion websites has given a voice to the international sub-culture that continues to be fascinated by the changing idiosyncrasies of this much misunderstood scene. With articles from contemporary magazines and fanzines and a gallery of unseen photographs, Casuals is the definitive book for football, music and fashion obsessives alike.
