**Von Elizabeth Goodman : Cat Power: A Good Woman** before purchasing it in order to gage whether or not it would be worth my time, and all praised Cat Power: A Good Woman:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. not so badVon ianafter being unable to attend any of cat power concerts of sun 2013 tour and being without interest for other rock acts (except john mellencamp who spent goodwill with me after udine 2011 non-appearing), this book provides some compensation in hot summer evenings. Nicely written, some interesting information; hard to judge how accurate

some written facts are. If you want to deepen knowledge about this artist i recomend reading this while listening to songs like angelitos negros (jukebox), red apples (covers), ruin (sun) and watch cameo role in blueberry nights movie. I came to listen to this music late and missed all prior 2010 but if you want to ve exposed to really beautiful female vocal, this is it. I hardly wait what comes after the sun record.

How this sensitive but headstrong Georgian daughter of an unstable mother and a relatively unknown musician fathermanaged to make it big, burn out, and rise up again to become not only the darling of the indie music scene but also a fashion and Hollywood icon is the fabric of this irresistible story. Covering her musical beginnings in the south and her booze-soaked rise to fame in New York City to her eventual breakdown and subsequent reclamation of herself and her music, Cat Power delves into the soul of this fragile but ferociously gifted young talent. With seven albums behind her, the hottest designers clamoring to dress her, and perpetually sold-out venues, Marshall is at the height of her careera perfect vantage point from which to look at her notorious and intriguing history. From interviews with her family, musicians such as Thurston Moore, Nick Cave, Dave Grohl, and Jack White, past loves like Bill Callahan and Vincent Gallo, and current friends such as Karl Lagerfeld and Wong Kar-Wai, Elizabeth Goodman gives us the real Chan Marshallthe little girl, the woman, the artist.From the Trade Paperback edition.KurzbeschreibungHow Chan Marshall, aka Cat Power, Survived Herselfand Became the Indie Rock Queen.Chan Marshalls stark lyrics, minimal arrangements,and wounded, smoky vocals, were an instant indie hit in the ninetiesbut her mental instability nearly derailed her career.
