Von Ned Beaumont : Championship Streetfighting: Boxing As A Martial Art before purchasing it in order to gage whether or not it would be worth my time, and all praised Championship Streetfighting: Boxing As A Martial

Art:

KurzbeschreibungYour fists are your primary weapon system in a streetfight, but most martial arts "masters" like to gloss over that fact. Now fisticuffs expert Ned Beaumont shows you how to duke it out in back alleys and smoky bars and walk away grinning (with all your teeth). All the dirty tricks of boxing are included, too. Not for the faint of heart, this one is destined to become a classic.

Synopsis This fascinating, hard-hitting manual is the first practical and proven guide to using boxing skills as a martial art, only without the 'strip mall karateka' mind-set. Here you will learn from boxing greats like Patterson, Ali, Foreman and Sullivan. See how to drop an opponent in a street fight with the techniques and power of professional fighters.
