Lovins When you think of great badman in films during the '30s and '40s, hands down the name is "Blackie" alias Charlie King. In fact author Bobby J. Copeland's

latest book is titled "CHARLIE KING - WE CALLED HIM "BLACKIE", comprehensive in depth behind the scenes of the baddest of the badmen. We saw him through the eyes of such heroes as Buster Crabbe, Johnny Mack Brown, Buck Jones, Ken Maynard, Dave O'Brien, Tex Ritter and Bob Steele. Bob Steele and Blackies fight scenes were a joy to watch, classic moves that actually looked so real ~ you could feel the punch in the fifth row where I was sitting. Copeland takes the reader into the life and times of King through sections ~ Where Are The Ashes?, How Many Times Did Charlie Play "Blackie"?, Some of Charlie's Classic Moments, They Worked with Charlie King, They're Writing About Charlie King, The Fans Speak Up for Charlie, Conclusion, Charles King's Sound Filmography, King's Silent Features, Index of Film Companies, Photo Gallery, About the Author as we salute one of the premiere B-Western badmen. This book includes so many great photos. Also the truth about Charlie's death...including his death certificate...comments by noted Western Film Historians...remarks by co-workers...writers' opinions of Charlie's acting and his career...Cowboys with whom he worked...studios that employed him...filmography. King also worked in silent films, may have also appeared as an extra in the 1915 film "The Birth of a Nation" ...if you have a copy look for Charlie. Charlie King certainly left us with many wonderful memories up there on the big screen. One of the great scene stealers, as he got heavier he looked tougher and more menacing. I would put Charlie King up there with Roy Barcroft and Harry Woods...who is number one, is a toss up. Oh, I'm one of the lucky fans who had my book autographed by the author Bobby J. Copeland, all my heroes have been cowboys! Total Pages: 112 ~ Empire Publishing Inc #0-944019-40-4 ~ (1/31/2003)
