Von Malorie Blackman : Checkmate: Book 3 (Noughts And Crosses) before purchasing it in order to gage whether or not it would be worth my time, and all praised Checkmate: Book 3 (Noughts And Crosses):

KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich. Reality check in a fictional worldVon hexelI totally loved the prequels Noughts and Crosses and Knife Edge and the breathtaking conclusion to this exceptional trilogy does not disappoint. This is today's news headlines in a upside down world with a love story that haunts from beyond the grave.Had history taken a different course we would be

living in Blackman's imagined world today. The story touches ever valid issues from an incredibly innovative perspective. This is one of the most brilliant and unputdownable series of books I have ever read and I am a voracious reader, mind you. If the story of Sephy and Callum and their families fails to move you get your emotional range checked. But I am sure this stunning and thrilling story will have a profound emotional impact on anyone who has a heart. This series is totally for keeps, and one reading is not enough!

Kurzbeschreibung Growing up as dual heritage in a world of bitter prejudice has meant some tough times for Callie Rose. The more she learns about her own history, the more she realizes just how much has been hidden from her . . . and how much danger she could be pulled into. 'Another emotional hard-hitter' Sunday Times Pressestimmen Thought-provoking brilliance (The Sunday Times 2005-06-26) Complex but beautifully crafted . . . dramatic, intensely moving . . . it truly ensnares the reader (Carousel 2005-07-01) A perfect end to an important and thought-provoking trilogy (Sarah Harbon The Bookseller 2005-04-15) Checkmate once again explores the lasting impact of prejudice, discrimination and the legacy of traumatic family history... Readers will not be disappointed (Publishing News 2005-04-01) Blackman is a terrific thriller writer, driving her plots forward with skill and tenacity (Dinah Hall Evening Standard 2005-07-18) Werbetext The dramatic and moving third story in the award-winning Noughts Crosses sequence.
