Von John Layman : Chew Vol. 3: Just Desserts before purchasing it in order to gage whether or not it would be worth my time, and all praised Chew Vol. 3: Just Desserts:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. GenialVon KaiservonjapanChew ist wirklich eine geniale Comicreihe. Ich interessiere mich nicht fr Graphic Novels, aber als ich in der Zeitung davon las, war ich begeistert. Die Investition hat sich gelohnt. Die Geschichte berzeugt mit Witz, Charme, Spannung, Action und auch Ekel. Auch regen die Darstellungen ber die Herkunft unserer

Nahrungsmittel zum Nachdenken an und lieen mich berlegen, wie ich mich fhlen wrde, wenn ich genau wsste, wie alles, was ich esse, hergestellt wurde.

KurzbeschreibungCollects Chew #11-15!Things are looking up for Tony Chu, the cibopathic federal agent with the ability to get psychic impressions from the things he eats. He's got a girlfriend. He's got a partner he trusts. He even seems to be getting along with his jerk boss. But his ruthless ex-partner is still out there, operating outside of the law, intending to make good on his threats against Tony and everybody Tony cares about. It's just a matter of time before their investigations collide, blood spills and-inevitably-body parts are eaten. Presenting the third storyline of CHEW, the follow-up to the New York Times Best Sellers 'Taster's Choice' and 'International Flavor.' Check out the strange and darkly comic series about cops, crooks, cooks, cannibals and clairvoyants. Winner of the Eisner Award for Best New Series and nominated for Eagle and Harvey awards to boot!
