Von Eve Bunting : Cheyenne Again before purchasing it in order to gage whether or not it would be worth my time, and all praised Cheyenne Again:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Cheyenne AgainVon Ein KundeThis literary piece is well written with the exquisite paintings that amplify the story over all. To have the visual images interact with the writing so well, I have to wonder how such an artist would only have illustrated a few books. A must read and a visual pleaser to the afficianados of art. Irving Toddy is a fine artist whose work should be sought out more. Eve Bunting is a good writer whose work is always complemented by the illustrator. In this case, to have a Native American-Navajo illustrate and to have lived the characters experiences is great.0 von 0 Kunden fanden die folgende Rezension hilfreich. A simple, yet profoundly moving tale of Native Americans.Von Ein KundeI teach reading and language classes. This book is an excellent resource to encourage

reading, to introduce new language, and to increase my students knowledge and understanding of other cultures.

Kurzbeschreibung In the late 1880s, a Cheyenne boy named Young Bull is taken from his parents and sent to a boarding school to learn the white man's ways. "Young Bull's struggle to hold on to his heritage will touch children's sense of justice and lead to some interesting discussions and perhaps further research." School Library Journal
