Kurzbeschreibung Popularly known as The Rose of the North and with an enchanting location on the banks of the Ping River, the city and its surroundings are blessed with stunning natural beauty and a uniquely indigenous cultural identity. Founded in 1296 by King Mengrai as the capital of the Lanna Kingdom, Chiang Mai has had a long and mostly independent history, which has to a large extent preserved a most distinctive culture. This is witnessed both in the daily lives of the people, who maintain their own dialect, customs and cuisine, and in a host of ancient temples, fascinating for their northern Thai architectural Styles and rich decorative details.
