Von Deborah Raney, Vicky Miller : Children's Sermons To Go: 52 Take Home Lessons about God before purchasing it in order to gage whether or not it would be worth my time, and all praised Children's Sermons To Go: 52 Take Home Lessons about God:

Kurzbeschreibung Children's Sermons to Go is a collection of 52 sermons for children. Each sermon first gives a Bible verse and then illustrates that verse with a short anecdote. Each sermon lists easy-to-find household materials the preacher or worship leader can bring to give a visual demonstration that illustrates the truths presented in the sermon. The distinguishing feature of this sermon collection, however, is the small, inexpensive gifts or trinkets - mementos - that each child carries away from the children's sermon, thus giving the children a concrete object that helps them remember the message given in that day's children's sermon.

Autorenkommentar Great for Family Devotions! Vicky and I have discovered that many people are using our book for family devotions! We agree that the ideas in this book are perfect for using in a family setting...simple, easy craft ideas and object lessons that bring home important lessons about God. We didn't really write the book with this purpose in mind, but we are thrilled that some creative people chose to use it that way and the idea caught on! Enjoy, and may the Lord bless!
