Graded Word Lists + Age Profile = GREAT BOOKVon Ein KundeThe Children's Writer's Word Book is one of those littlereferences you wouldn't necessarily think you needed in yourcollection. However, once I opened this book, I knew I needed to place it in a very prized position on my reference shelf.Not only are the graded word lists extremely helpful, but the short profile of each age group combined with the description of what publishers are looking for at each reading level makes for a powerful advantage when writing for children.This book is a must-have if you are writing for children.0 von 0 Kunden fanden die folgende Rezension hilfreich. Absolutely indspensableVon R. GetterThis book is essential for anyone who is writing for children. As a writer of online web content for kids, I need

to specifically target certain grade levels. Both Mogilner's word lists and commentary let me do that with confidence. The book is well organized and was instantly useful. 0 von 0 Kunden fanden die folgende Rezension hilfreich. HIGHLY RECOMMENDED! Von Ein Kunde I'm in the process of writing my first children's book. The CWWB has helped in more ways than one. I have already worn the pages down. A must for any children's book writer.
