Von Edwina Gateley, Robert Lentz : Christ in the Margins before purchasing it in order to gage whether or not it would be worth my time, and all praised Christ in the Margins:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Robert lentz christ in the MarginsVon I von Treskova wonderful book that makes you think: Christ is there, all around us.Some of the painings of Robert Lentz are truly stunning.All of them are surprising and thought-provoking

KurzbeschreibungChrist in the Margins features forty Robert Lentz icons of saints, visionaries, mystics, and other Christ figures who confound the status quo. Together with Edwina Gateleys stories of men and women who inspire us to see the Christ in all of us, particularly those on the margins, it is profoundly spiritually and spiritually profound.KurzbeschreibungChrist in the Margins features forty Robert Lentz icons of saints, visionaries, mystics, and

other Christ figures who confound the status quo. Together with Edwina Gateleys stories of men and women who inspire us to see the Christ in all of us, particularly those on the margins, it is profoundly spiritually and spiritually profound.
