Von Ellen G. White : Christian Education (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Christian Education (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A Very Broad View of EducationVon Ein KundeThis is the book to read if you want a broad, Bible-based view of education. For example, the first paragraph reads:"Our ideas of education take too narrow and too low a range. There is need of a broader scope, a higher aim. True education means more than the pursual of a certain course of study. It means more than a preparation for the life that now is. It has to do with the whole being, and with the whole period of existence

possible to man. It is the harmonious development of the physical, the mental, and the spiritual powers. It prepares the student for the joy of service in this world and for the higher joy of wider service in the world to come. "There is much in this book for everyone who would like to develop physically, mentally, and spiritually.

KurzbeschreibungThe articles included in this book are presented without abridgement and are arranged chronologically. Most of the articles do not appear in other volumes already in print.KurzbeschreibungThe articles included in this book are presented without abridgement and are arranged chronologically.
