Von Carol Watson : Christmas Dove (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Christmas Dove (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. A beautiful depiction of Jesus' early life. Von B. Wilkison "The Christmas Dove" is a beautiful and compelling depiction of the early experiences of Jesus and His earthly family. The reader gets a sense of what life was like 2000 years ago,

and also gets a glimpse into the thoughts and feelings of Jesus' parents, who slowly begin to realize that their beloved little boy is far more than He seems. This book personalized Jesus' early life for me, and helped fill in the gaps between the Biblical accounts of His birth and later events. God's hand was upon Carol Watson when she wrote this book!"The Christmas Dove" is appropriate for all ages; each short chapter would make a nice bedtime story for small children, and it would not lose its appeal to the oldest reader.0 von 0 Kunden fanden die folgende Rezension hilfreich.
