Courtesy of Teens Read Too Von TeensReadToo After an unsuccessful escape plan, Otto and Wing acknowledge H.I.V.E. as their residence for now. Unfortunately, Dr. Nero will have a difficult time explaining the circumstances of the attempted escape to the G.L.O.V.E. and Number One. Clearly, Number One is unhappy that the event took place, and

Cypher believes that now is the perfect time to openly challenge the need for the school. When someone attacks Dr. Nero, he knows that he must be very cautious, but when Wing's father dies, he must send him to the funeral. School policy dictates that in such an unfortunate situation, another student may accompany said student in distress. Otto and Wing travel to the funeral without knowing that they will walk right into a trap. When Otto witnesses Wing's death he vows to take revenge on Cypher, thus creating an alliance with his old enemy, Dr. Nero. Together, can they stop Cypher's plan of world domination? Mark Walden picks up the story shortly after the conclusion of the first book with a fresh batch of problems, along with intense situations and fast-paced action that will leave readers' hearts pumping with adrenaline. **Kurzbeschreibung** Otto and Wing have special permission to leave H.I.V.E.'s secret island location to attend a funeral (all too common in their line of business). But before they reach their destination they are ambushed. Who would risk assassinating Otto Malpense, star pupil of the Higher Institute of Villainous Education and favourite of Number One, the most powerful villain alive? A new power is rising to challenge Number One's authority, and they need H.I.V.E. and its powerful computer to do so. Otto thought the only thing he wanted was to escape from H.I.V.E., but now he's desperately trying to save it, and himself. **Pressestimmen** 'A comedy thriller, full of baddies, action and lashings of humour' \* Sunday Express \* 'An exuberant Dahl-esque escapade' \* Financial Times \* 'Exciting, clever and all in all brilliant' \* Sunday Telegraph \* **Werbetext** Action-packed and fantastically witty Over 180,000 copies of our UK edition H.I.V.E. series sold to date Stunning new look jacket H.I.V.E. was the #1 Booked Up title of autumn 2008 (60,000 copies ordered) and WBD author 2009 with *Interception Point*, introducing a new raft of readers to the series
