Von Ann Rinaldi : Hang a Thousand Trees with Ribbons: The Story of Phillis Wheatley (Great Episodes) before purchasing it in order to gage whether or not it would be worth my time, and all praised Hang a Thousand Trees with Ribbons: The Story of Phillis Wheatley (Great Episodes):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. An

incredible piece of work by Ann Rinaldi

Von Ein KundeThis book was great! I really loved it. I was reading it at the time, and in need of a book for English in an outside reading project. I decided to read this since I'd started reading it already. When I had to give my oral presentation, I was nervous, but this book was easy and enjoyable to talk about. Once I start speaking about Phillis, I felt myself in her world again. As a writer myself, I learned more about the process when I read about Phillis. Phillis's story was one that you just wanted to hear more about. I was completely entranced by the beauty of Rinaldi's language, satisfied by the action(it never got boring, the pace was fast yet not rushed), and even enjoyed my outside reading project. If only I could pick all the books I read for English. My favorite character was Prince, and of course Phillis. One thing sad about the book was her passage to America, it literally horrified me, especially about her mother(I don't really want to give much away, although it is in the beginning of the book). After I finished this book, I felt happy and like I learned something. Which I did. I definitely recommend this book! (Especially if you have been procrastinating on an outside reading project!)

Von Ein KundeThis book was astounding! The story was very inspirational. It was based on the life of Phillis Wheatly and her tale is truly amazing! I recommend this book to fans of historic fiction. I just couldn't put it down as I waited to see what was ahead. The only thing I didn't like was the depressing ending. It disappointed me thoroughly. I also didn't like some of the main characters who were vital to the story. I didn't find them very likeable. I also really enjoy romances and there was the prospect of one at the beginning which caught my interest for awhile. But she eventually ended up with the wrong person(in my opinion). I had slightly higher hopes for this book because I love Ann Rinaldi as an author. I think it's definitely worth reading, but a tiny bit disappointing. I think the reason I didn't enjoy it as much as I'd hoped was the fact that I like cheerier, happier stories. This book presented a more realistic, truthful angle that just happened to end sadly. I would definitely recommend this book for those craving knowledge about people from the past. Overall, I did enjoy reading this book and I thought it was very well-written and interesting throughout.

Von Ein KundeHang a Thousand Trees with Ribbons is an excellent book by Ann Rinaldi. It was the first book I had ever read by Ann Rinaldi, and it gave me a wonderful first impression of her. She is definitely a gifted author! Hang a Thousand Trees with Ribbons is the story of a slave woman named Phyllis Wheatly. Her master's son, Nathaniel, teaches her how to read, and she discovers she is a wonderful poet. Mrs. Wheatly wants Phyllis' work published, but nobody but the Wheatlys are positive it is her work. She must answer questions before a court before the work can be published. But there is another plot line to this story: Freedom! Although Phyllis has everything she wants, she still wants one more thing- her freedom. This is a wonderful lesson about what we want and what we have. And a wonderful novel about a slave girl in the 1770's- a gifted poet, and believed in by everyone around her. This story is a great inspiration to those of us who think we can't do the impossible- we can!

KurzbeschreibungKidnapped from her home in Senegal and sold as a slave in 1761, a young girl is purchased by the wealthy Wheatley family in Boston. Phillis Wheatley as she comes to be known has an eager mind and it leads her on an unusual path for a slave she becomes America's first published black poet. Strong characterization and perceptive realism mark this thoughtful portrayal.
