Von Isabel Gillies : Happens Every Day: An All-Too-True Story (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Happens Every Day: An All-Too-True Story (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Emotional!Von PhilliEine amerikanische Schauspielerin wird von ihrem Mann wegen einer anderen Frau verlassen. Geschildert werden das Geschehen und die daraus resultierenden Gefhle. Die Autorin hat diese Geschichte selbst

erlebt, und natürlich passiert das jeden Tag überall auf der Welt immer wieder. Hab das Buch aus meinem SuB gezogen und für nette Unterhaltung gehalten, dessen Anspruch lediglich im englischen Original lag. Sicherlich ist das Geschriebene nicht "literarisch wertvoll", sondern eher geschrieben wie man einer guten Freundin schreibt. Dennoch hat mich das Buch unerwartet gefesselt, ich konnte es gar nicht aus der Hand legen. Die Gefühle, die in einer solchen Situation entstehen, sind sehr treffend beschrieben und sicherlich von jedem Leser nachvollziehbar. Es ist auch in keiner Weise eine Abrechnung mit dem (Ex-)Ehemann. Eigentlich traurig, aber nicht depressiv. Zwischenzeitlich gibt es das Buch auch auf Deutsch - "Happy End einer Ehe: eine allzu wahre Geschichte". Wobei diese Übersetzung reichlich untreffend ist.

Kurzbeschreibung Isabel Gillies had a wonderful life -- a handsome, intelligent, loving husband; two glorious toddlers; a beautiful house; the time and place to express all her ebullience and affection and optimism. Suddenly, that life was over. Her husband, Josiah, announced that he was leaving her and their two young sons. When Josiah took a teaching job at a Midwestern college, Isabel and their sons moved with him from New York City to Ohio, where Isabel taught acting, threw herself into the college community, and delighted in the less-scheduled lives of toddlers raised away from the city. But within a few months, the marriage was over. The life Isabel had made crumbled. "Happens every day," said a friend. Far from a self-pitying diatribe, *Happens Every Day* reads like an intimate conversation between friends. Gillies has written a dizzyingly candid, compulsively readable, ultimately redemptive story about love, marriage, family, heartbreak, and the unexpected turns of a life. On the one hand, reading this book is like watching a train wreck. On the other hand, as Gillies herself says, it is about trying to light a candle instead of cursing the darkness, and loving your life even if it has slipped away. Hers is a remarkable new voice -- instinctive, funny, and irresistible. **Pressestimmen** "Fans of *Eat, Pray, Love* will devour this book." John Searles, MSNBC.com "A memoir so raw you feel like it's your best friend telling you her story. **Glamour, Must-Read** A smart, rueful memoir of love, betrayal and survival. O, the Oprah magazine "You gobble up [*Happens Every Day*], rooting for the engaging Gillies. A guilty pleasure for readers." USA Today "I couldn't help but admire her bravery in exposing the dark side of her seemingly perfect life in such a good-humored, self-effacing way. You feel nothing but deepest sympathy.

Elle **Kurzbeschreibung** Isabel Gillies had a wonderful life -- a handsome, intelligent, loving husband; two glorious toddlers; a beautiful house; the time and place to express all her ebullience and affection and optimism. Suddenly, that life was over. Her husband, Josiah, announced that he was leaving her and their two young sons.
