The definitive translation in EnglishVon GoneToTexasThis is the most accurate translation of the Bible in modern English. It uses US spelling; I do not know if there is a version of NRSV with proper English spelling. All of the Deuterocanonical Books and several other books are included; so, regardless of your denomination, you will find all of the books you expect here.There are several academic (yet understandable) essays about the Bible included, and on

every page of the Bible itself there are copious footnotes. This is THE Bible to have for serious study unless you can read the original Hebrew, Aramaic and Greek! 0 von 0 Kunden fanden die folgende Rezension hilfreich. informative Bibel Von Altezzeim Spektrum verschiedene Studienbibeln Die Dake Bibel ist auch sehr gut, ebenso die Genfer Studienbibel und verschiedene andere Bibeln im Markt
